Thank you for playing. We raised £243 from the raffle at the School Musical before half term. Thanks to everyone who bought tickets. Thank you to Calico lounge, Escape (Chorley), Yarrow Bridge pub, Marshalls florist, Fredericks ice cream and everyone who donated prizes. Your generosity is very much appreciated.

Ash Wednesday Services

Every tutor held a very meaningful Ash Wednesday Service where Ashes were distributed.

World Book Day

To celebrate World Book Day on 5 March 2020 each tutor is asked to decorate their tutor room door in a book/author related theme. There will be prizes for the best doors. There will be lots of competitions and activities in the Library at lunchtime. Pupils will receive a £1 Book Token for a free book or to put towards the cost of any book at the next school Book Fair. The Book Fair arrives in school on 18 March 2020. There will be a book swap, if you have any unwanted books bring them to the Library any time and receive a token to use on World Book Day. There will be a large selection to choose from.

Maths News

Our most able mathematicians are completing a maths challenge in conjunction with Liverpool Universities, MEM has been running Challenge and Senior Challenge take-home competitions in February half term since the late 1970s. Together, these competitions attract about 2,000 entries annually, with Challenge aimed at Y7 and 8, and Senior Challenge aimed at Y9 and 10. The entries are due by Monday 3 March and we are looking forward to seeing their solutions. They will be sent away to be judged. Good luck.

POP UP PROM SHOP

St Catherine's Hospice are holding a Pop Up Prom Shop in the Garden Room on Saturday 7 March 9—5 pm and Sunday 8 March 10—4 pm. There will be over 300 dresses to choose from starting from £40.00. There will be a range of accessories and shoes for sale. Proceeds go towards specialist care and support at the Hospice.

Science Week

The theme for Science week this year is *Our diverse planet* and it has started early with microbiologists visiting Y10 to discuss and provide hands on practical activities giving pupils a snap shot into the career of a microbiologist in a lab. Future activities include 'parasites in a box' where they will discover what a parasite is, how they are spread, how they cause disease and current therapies. 'Spectroscopy in a suitcase', where pupils will use hands on analytical chemistry and there will be various quizzes and competitions for all pupils to take part.

News from the Library

Well done to two Y7 pupils who won the Book buzz Competitions, one for an inspiring book review and one for a wonderful book cover design. Congratulations to the winners and well done to all who entered.
