

Sky Hawk

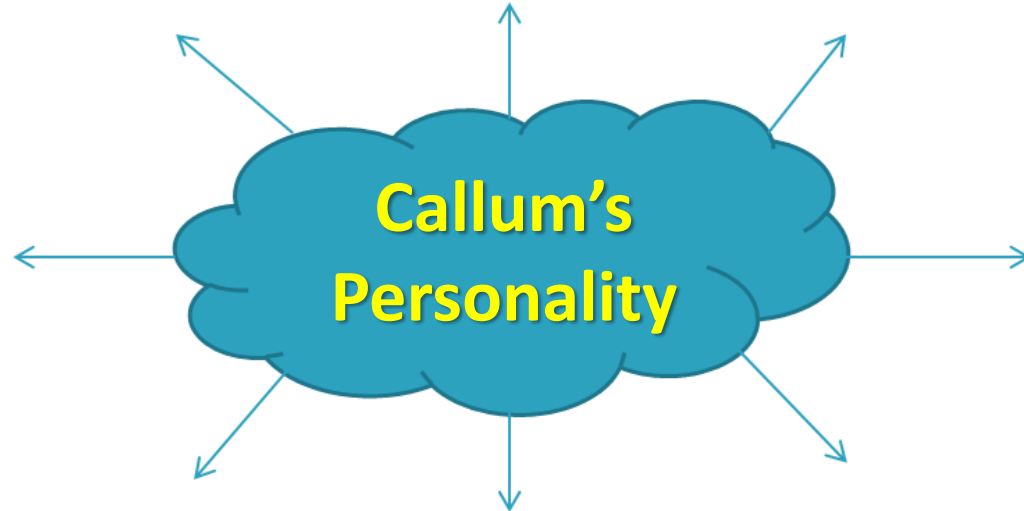

LO: To learn how to create an engaging and persuasive poster.

Starter Activity

The main character of the story is Callum McGregor. We have learnt a little about his personality.

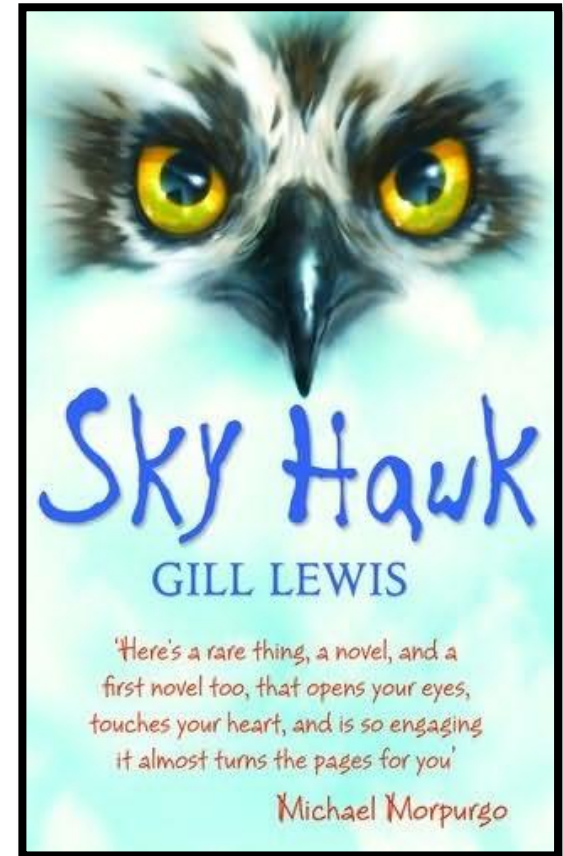

Create a spider-diagram of his characteristics.

Input Activity

- Today, we are going to read a further two chapters of the story.
 - Let's read Chapters 5 and 6.
1. What does Iona show Callum?
 2. Why is this fascinating?

Main Activity

The Osprey are a rare bird of prey that became extinct in the UK in the 1900s. In 1954, a pair of birds returned to Scotland and from that point onwards they have been protected.

Look at the Fact Film below and create a poster persuading people to protect the osprey and not hunt their eggs. **Before you start, consider as a class what persuasive devices you could use, for example, emotive language.**

Osprey Fact File

- A large fish-eating bird of prey.
- Wingspan: up to 1.7m (5½ft).
- Length: between 50 and 60 cm.
- Weight: average 4.4 kg.
- Diet: fish, including pike, perch, trout and eels.
- Hunting Style: dives from height to catch prey from water.

Plenary Activity

Assess your own work against the success criteria below, then write WWW and EBI comments in your book.
