## **'BACK TO SCHOOL 2020'**

Firstly, we would like to take this opportunity to wish all our customers and family good health and hope that you are staying safe and well during this current time.

During this period of uncertainty, following the Covid - 19 panic we want to reassure you that we are preparing for our 'Back to School' period. We are taking social distancing very seriously and although the shop is currently closed, we are following the government guidelines and preparing the premises with all the necessary social distancing requirements to keep both our dedicated staff and loyal customers safe.

Whilst we still await government information to re – open we are aiming to do so on Monday 1<sup>st</sup> June, this will initially be on a strictly appointment only system. We will initially be opening on reduced hours, which we will be looking to extend in the following weeks and possibly opening Sundays.

### **We will be open Monday – Saturday 10am – 3pm.**

Appointments will be made on half hourly slots initially, starting at 10am. If you would like to visit the shop, please make an appointment as soon as possible either via texting 07794029726, emailing [andrewleach@gmx.com](mailto:andrewleach@gmx.com) or messaging us via our Andrew Leach Facebook page.

We will also be offering a door stop delivery service, for those knowing what sizes and items they require, again this will be via the same 3 options.

If you require any further information please do not hesitate to contact us.

Again, we wish you all well, stay safe and we look forward to meeting all your uniform needs this summer.

Kind regards Kath & Rachel
