

Holy Cross

CATHOLIC HIGH SCHOOL

Health and Safety Policy

Incorporating the Local Health and Safety Arrangements for:

- Holy Cross Catholic High School
- School Number 09103
- Myles Standish Way, Chorley PR7 3LS

This policy is based on the requirements of the Health and Safety at Work etc Act 1974 and associated Health and Safety and other Legislation. It should be read in conjunction with the Lancashire County Council's Health and Safety Management System which is held on the School's Portal.

As a Voluntary Aided School the Governing Body is the employer and is responsible for the use of the premises. The Head Teacher is responsible for the day-to-day implementation and management of health, safety and welfare within the school. The Governing Body and the Head Teacher should work in partnership to meet these responsibilities.

As the persons with responsibility for the implementation and management of proper health and safety controls within the school, we will, as far as is reasonably practicable:

- provide adequate control of the health and safety risks arising from our work activities;
- provide and maintain safe plant and equipment;
- ensure all employees are competent to do their tasks and ensure the provision of adequate training;
- maintain safe and health working conditions;
- ensure safe handling and use of substances;
- review and revise this policy and arrangements as necessary at regular intervals, and, as a minimum, following each five yearly review by the county council;
- consult with employees on matters affecting their health and safety;
- provide information, instruction and supervision for employees;
- prevent accidents and cases of work- related ill health;
- comply with appropriate directions given by the county council on health and safety requirements;
- act in accordance with the relevant provisions in the Scheme for Financing Schools in Lancashire and the School Teachers Pay and Conditions Document.

Responsibilities:

The responsibility for implementation and management of proper health and safety controls within the school is that of:	Headteacher
The authorised member of staff with day-to-day responsibility for ensuring this policy is put into practice is:	S Cooper
To ensure health and safety standards are maintained/improved, the following people have responsibility in their specific areas eg premises issues, fire safety and other emergencies, out-of-hours arrangements, educational visits	S Cooper A Holding
The health and safety plans for the school will be developed and monitored by:	Governors, Headteacher, S Cooper, A Holding
<p>All employees within the school have a responsibility to:</p> <ol style="list-style-type: none"> 1. Co-operate with the Headteacher and his/her nominated representatives on all matters relating to health and safety; 2. Not interfere with anything provided to safeguard their health and safety; 3. Take reasonable care of their own health and safety, and not knowingly place anyone who may be affected by their work activities at risk; and 4. Report all health and safety concerns to an appropriate person (as detailed in this policy statement). 5. The Conditions of Employment of Teachers provide that teachers' professional duties include maintaining good order and discipline among the pupils and safeguarding their health and safety both when they are authorised to be on the school premises and when they are engaged in authorised school activities elsewhere. 	

Health and Safety Risks Arising from Work Activities:

We will ensure that so far as is reasonably practicable, all areas of risk are assessed and adequate control measures are put in place to ensure the health and safety of all employees, pupils, contractors, non-employees and anyone else affected by the school's activities.

Risk assessments will be undertaken by:	S Cooper/A Holding/Staff member involved in activity
The significant findings of risk assessments will be reported to:	Headteacher/Department Head
Action required to remove/control risks will be approved by:	Headteacher/S Cooper
The responsibility for ensuring the action required to reduce risks is implemented is that of:	Headteacher/S Cooper
Checking that implemented actions have removed/reduced the risks is the responsibility of:	Headteacher/Department Head or other nominated person as appropriate.
Risk Assessments will be reviewed regularly (3 yearly is the minimum review period recommended for task risk assessments and 5 yearly for COSHH assessments) or in the event of any significant changes. Risk assessments will be undertaken prior to the introduction of a new element of work activity. Responsibility for this rests with:	By whom : S Cooper A Holding Staff member involved in activity

School's Commitment:

To meet the requirements of this Policy Statement, the Headteacher/Governing Body and/or his/her/their nominated representative(s) will:

- a) draw up and implement appropriate health and safety procedures for the school;
- b) share appropriate elements of these procedures with all employees, pupils, visitors and anyone else who may be affected by them;
- c) arrange for risk assessments to be completed for all areas of work and review them on a regular basis;
- d) as part of the risk assessment process, produce safe systems of work where necessary and arrange for their implementation including any appropriate training, resourcing, auditing and monitoring; and,
- e) identify adequate resources for the implementation of the health and safety policy and arrangements with the school.
- f) comply with appropriate directions given by the county council on health and safety requirements
- g) act in accordance with the relevant provisions in the Scheme for Financing Schools in Lancashire and the School Teachers Pay and Conditions Document.

The school will, upon request, make available for general inspection specific, procedures and documentation and will regularly review its arrangements in respect of the applicable topics and activities below.
