

MY FIVE REASONS TO READ

WONDER BY R.J. PALACIO

By Barnaby - Sacred Heart Primary School

I've just finished reading Wonder by R.J. Palacio and I have to share my reasons for why YOU should read it.

Wonder is an excellent book because it is moving and inspiring.

Another reason is that it has a Wonderful message about tolerance, acceptance and understanding.

It is good for small ages from 6 years old to adult age.

The book Wonder is based on real people with Treacher Collins Syndrome.

It grabs the reader's attention and makes them want to read more.
