HEADTEACHER **Mr I Gaughan BA**

September 2021

Dear Parent/Carer

We are writing to inform you about a study skills programme that Year 11 will be taking part in, throughout this year. Elevate Education will be coming to school to deliver three sessions to Year 11 at key points in the year. The first one will take place in October and will be focused on study skills. The next session will be post-mock exams, giving pupils the opportunity to reflect on their performance and plan for the final exams. The final session will be just before the summer exam period and will focus on revision, preparation, and exam technique. We are looking forward to welcoming Elevate Education into school and we are sure your child will benefit from the targeted guidance they will receive.

As well as supporting the pupils with their studies, Elevate Education also are providing webinars throughout the year for parents of Year 11 pupils and the first one will take place on the 21 September at 6 pm. The webinars will give you guidance and advice on how you can support your child throughout this year. These are available to you free of charge, and we are pleased to provide you with information about how to register and access the webinar with this letter. Also, you will be able to access this information on our school website and on Twitter.

We do hope you will take advantage of this excellent support from Elevate Education, and if you have any questions or feedback about the webinars, please do not hesitate to contact school.

Yours faithfully

Mrs M Hardman  
Assistant Headteacher
