

Holy Cross
Leadership
Academy

What is the leadership academy?

New program in school that aims to develop young leaders of the future.

We want pupils at Holy Cross to have an active role in our school and understand what we are all trying to achieve.

The aim is to have **MORE** pupils involved in school life and not just the same pupils who get picked for everything.

What does it involve?

- You will have to apply, and candidates will be chosen from these applications.
- If successful, there will be a 5-week initial course to build resilience, confidence and communication skills. These will be held afterschool.
- From that point on, you will meet regularly with your HOY ,SLT and Senior Prefects to discuss various issues in education and at Holy Cross.
- You will then be asked to help lead the school both in and outside the building.
