# 2022 GCSE Results

## Congratulations to our Year 11 pupils on their impressive results

"I am delighted with this year's exam results. They are, overall, extremely good and a reflection of the standards and aspirations that we have at Holy Cross. More importantly they represent the resilience and hard work of our pupils whose education has been so disrupted over the last three years. They reflect how well our pupils engaged with remote learning but more than that, they show the extent to which our pupils refused to be defined by lockdown restrictions and made sure they looked forward and were positive. I couldn't be prouder of them, and they should be proud of themselves."

Mr Gaughan - Headteacher

**129 Grade 9s were awarded.**

**This is an increase of 74.3% from 2019**
