Art at Holy Cross

Temporary Teacher of Art (Maternity Cover)

May 2026

Dear Applicant

Welcome to the Art Department

We are seeking to appoint an ambitious, enthusiastic and highly skilled Teacher of Art (Maternity Cover) to join Holy Cross Catholic High School. This is an exciting opportunity for a passionate practitioner who is committed to high standards of teaching and learning and who wishes to make a meaningful impact on pupils' creativity, confidence and achievement.

As the sole Art specialist, you will build on our established provision by delivering engaging and purposeful lessons that inspire imagination, develop skills, and foster a love of learning. You will also cultivate a supportive and appropriately challenging environment in which pupils feel confident and proud of the work they produce.

At GCSE, we currently follow the AQA Art and Design specification, specialising in Fine Art. The subject is well regarded by both pupils and parents across the key stages. Art is taught on a carousel in Years 7 to 9, with pupils opting to study GCSE Art at the end of Year 9.

The Art department is well resourced, benefiting from a large purpose-built specialist classroom. A part-time Art technician provides valuable support with equipment and materials, enabling lessons to run smoothly and allowing pupils to work confidently with a wide range of media and processes.

Enrichment provision is a particular strength, with a well-established and thriving programme at both KS3 and GCSE. We are seeking a passionate Art specialist who is keen to continue raising the profile of the subject across the school through rich learning opportunities, whole-school competitions and events.

We have a strong track record of supporting and developing teachers, and this role would suit someone who is keen to grow professionally within a supportive and aspirational environment.

If you require further information please do not hesitate to contact the school via admin@holycross.lancs.sch.uk

We welcome applications from ECTs as well as more experienced candidates. Thank you for your interest in the position.

Mrs K Nelson

Child Protection Statement

In this school, the welfare of the child is paramount. This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

All staff should understand their responsibility to safeguarding and promoting the welfare of children and young people. Staff are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions. Staff should work, and be seen to work, in an open and transparent way.

Attitudes towards promoting and safeguarding the welfare of our children and young people will be scrutinised during the selection process for the post that you have applied for. If you are appointed to this post, information in relation to safeguarding and protecting children and young people will be provided at induction. This practical guidance for safe working practice will provide information about which behaviours constitute safe practice and which behaviours should be avoided.

Please note that in line with Keeping Children Safe in Education 2025 an online search will be carried out as part of our due diligence on short-listed candidates.

Working at Holy Cross

What do staff say about being a part of the Holy Cross community:

Mr Holliday, Teacher of Geography "We have excellent pupils who want to learn. As staff, we are supported and given opportunities for development".

Mrs Coyle, Head of Maths "Working at Holy Cross offers the opportunity to be part of a vibrant, faith-driven community rooted in a strong Catholic ethos. Staff and pupils thrive in a supportive environment where wellbeing is prioritised and mutual respect is central to daily school life. Clear policies and routines ensure consistency, allowing teachers to focus on teaching and pupils to focus on learning. With the best interests of pupils always at heart, Holy Cross fosters a culture of care, collaboration, and excellence".

Mrs Milligan, Head of Geography "At Holy Cross you are able to focus on the fundamental reason you joined the profession - to teach and inspire a love of learning for your subject. There are clear behaviour systems in place to ensure that learning is the priority. Over the last seven years, I have also been heavily supported by the Senior Leadership Team in pursuing my ambitions and developing my career, something I am very grateful for."

Mrs Moss, PE Co-ordinator "Holy Cross has a supportive environment. There is a collaborative and caring atmosphere amongst staff and pupils".

Mrs Ogden, Teaching Assistant "Holy Cross is a place where staff and pupils are cared for, they respect and look after each other".

Miss Wane, Teacher of Maths and former pupil "I love working at Holy Cross. My favourite thing is how kind and respectful the pupils are, after finishing most lessons pupils leave the room saying, 'Thanks Miss'. It is a small gesture but really shows how much our pupils value the lessons we teach at Holy Cross".

Mrs Fletcher, Second in English "There is such a welcoming atmosphere from staff on reception and around school and everyone is willing to help each other out; there is a real sense of community that is like no other school I've ever worked in (and I've taught in three). The pupils are polite, friendly and genuinely enjoy coming to school, which makes the job worthwhile. It feels like they really care about our school".

Mr Simpson, Teacher of Science and parent "I work at Holy Cross because it's a school where you can actually focus on inspiring and teaching pupils rather than behaviour. I recommend the school to everyone I speak to because it's where I sent my children and where I will stay for the remainder of my career. The expectations of staff are high, but the reward is great in the pupils and lessons you are able to teach".

Miss Wallace, Assistant Headteacher "I choose to work at Holy Cross because it is a school where the Catholic community truly matters. From the day I started, I felt welcomed and supported by colleagues who genuinely care about one another and the pupils they serve. The pupils at Holy Cross are respectful, kind, and committed to their learning and this makes it a rewarding environment to work within. What also makes Holy Cross special is its strong Catholic ethos, which fosters a sense of purpose, respect, and compassion throughout the school community. Holy Cross is a place that makes you feel valued, where faith and learning go hand in hand, and where the atmosphere is one of care, aspiration, and shared values".
